

# Newsletter May 2024

**Last Term's Visit to The Lightbox in King's Cross:** Our students had a wonderful time during their visit to The Lightbox to see "Moonwalker." The interactive show was a huge hit, leaving them not just inspired, but also captivated. Despite the downpour, we managed to walk all the way there and back, making it a memorable adventure for all.

April  
**Stand Up Education  
Workshop**

Our school recently hosted a crucial workshop focusing on anti-bullying and anti-racism education. The session was not just informative, but also highly engaging, and we are immensely proud of our students for actively participating in creating a more inclusive environment. [About us | My Site](#) ([standupeducation.org](http://standupeducation.org))

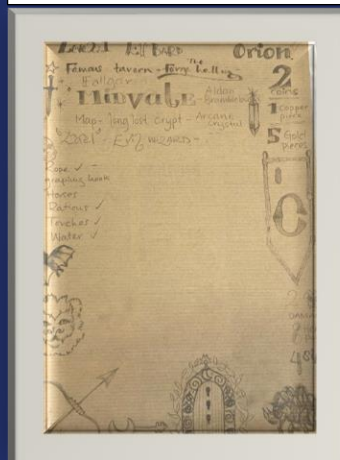

**Workshop Learning Pathway 3  
and 4**

**Workshop LP 1 and 2**

**Dungeons and Dragons Club:** Don't forget that our Dungeons and Dragons Club meets every Wednesday for an epic adventure filled with imagination and strategy. We have been proud of the way our students have gained in confidence and some even becoming dragon master. and leading the story telling.

# Assemblies: parent career talks

We have been lucky enough to have your input into our assemblies and had career information from your experiences in university lecturing, Law, TV and film. We look forward to hearing from more of you next term

***At Odyssey House School Bloomsbury we are committed to ensuring that our students are prepared for life beyond school.***

We have a strong focus on careers and post-16 options, providing tailored support and guidance to help each student transition into further education, training, or employment.

***Next term our careers lead will run classes for all Learning Pathways. We will look at, career choices, skills needed, work experience opportunities, and partnerships with local businesses.***

We aim to equip our students with the skills and confidence they need to pursue their chosen career paths. By fostering independence and self-advocacy, we empower our students to achieve their full potential and thrive in the post-16 environment."

***Magic Club: We are excited to announce that a new Magic Club will be starting soon. Stay tuned for more details about this exciting opportunity for our students.***

## Artwork across the school

All learning pathways have been wonderfully creative this term and worked with a variety of media to produce some stunning artwork. They have been inspired by their natural environment, famous artists, primitive artists and their own personal inspirations.

## Food technology across the school

All learning pathways have been very busy cooking for different occasions, assessments and just for fun!

We have had a variety of food from around the world and our staff and students have been brave enough to taste and try out different textures, tastes, and sensations.

---

*GCSEs Underway: Our students have started their GCSEs and other formal exams, and we are proud of their hard work and dedication. We wish them the best of luck and know that their efforts will pay off.*

*English Lit*

*English Language*

*Physics*

*Biology*

*Italian*

*Spanish*

*Functional Skills*

---

Looking Forward to Half Term: With half term approaching, we eagerly anticipate a well-deserved break for our students and staff.

We hope everyone enjoys the time off and returns refreshed for the rest of the term.

Upcoming:

18<sup>th</sup> July Sports Day at Hyde Park

End of term reports

Thank you for your continued support, and we look forward to sharing more exciting updates in the future.
