Putting pupils at the heart of everything we do!

At Odyssey House School, we recognise that every individual has already begun their education and life journey. Some sail smoothly through. Others learn to navigate and negotiate the obstacles. And there are those who need help to do this and then set sail on their own.

Whatever the situation, Odyssey House School will help all pupils on their way.

We guide, teach, support and encourage pupils until they sail off to their bright future.

SECONDARY CURRICULUM & QUALIFICATIONS

Every student will have the opportunity to achieve qualifications at a time and level that is appropriate for them.

Qualifications in most subjects will commence during Year 9.
